

Intehgra—The One Place You Can Be Made 80% Pure In Spirit

And Jesus will take you from there ;)

“As Man and Woman left the Garden of Eden, entering a fallen world, with toil for man and enmity for woman, we became prone to sin.”

—Intehgra

Wandering about in our fallen world, cracks in our spirit begin to appear. Darkness entered. We were no longer ourselves. We were no longer whole.

Step 3 to Heal

One cannot fix a problem one doesn't understand.

Before God expelled Adam and Even from the Garden of Eden, God's perfect environment protected us. After God expelled us, humankind lived in an imperfect environment—*outside* the Garden. This imperfect environment is what makes us all so vulnerable to sin.

When we lose our infant innocence, darkness inevitably begins to crack through our otherwise perfect Vessel. As the darkness lingers, we feel broken: depression, anxiety, purposelessness, lethargy, fear, and illness creep in.

Try as we might—some of us for years, even decades—we just can't return to our original wholeness. For the battle we wage is not of flesh, but of spirit. The only path is to (1) turn to the God of Light, to Jesus, to God's prophets, messengers and angels, so we can (2) remove the darkness, seal the crack in our vessel, and receive ongoing protection—while we continue to live in a fallen world.
